

****We need your help!****

Our Boredom Buster Bag Kids are helping to fight childhood cancer by supporting the group CURE Childhood Cancer.

Did you know:

- Nearly **16,000** children will be diagnosed with cancer in the next 12 months?
- **1 in 408 children** will be diagnosed with cancer before the age of 15?
- Cancer is the #1 cause of death by disease of children?

How are we helping?? Creating.....Boredom Buster Bags!!!

Children with a cancer diagnosis often have extended hospital stays. Boredom Buster Bags provide patients a little distraction from a day that can often be filled with tests, chemotherapy treatments, and BOREDOM!!
